Emergency light Centralised power supply systems Ceiling mounting, CPS, , IP40, Zinc die-cast, White,

Powerful LED safety luminaire for recessed mounting in the ceiling. Both the spotlight and cooling element are made from high-grade zinc die-cast.

The structure, as well as the material used, ensure good heat dissipation and a long LED life. The compact design permits mounting in a 68mm opening in the ceiling. It is secured with ease using tension springs.

By changing the driver settings a lower power consumption and light output can be achieved.
